BEECHCRAFT *king air B200GT* ZS-TWP

The most popular business turboprop in the world, the King Air 200GT, now provides cutting-edge avionics technology, greater passenger comfort and enhanced payload options. The Pro Line Fusion™ flight deck brings the first full touchscreen flight display system to the world's most trusted avionics architecture. The reliability and safety shown by this aircraft has made it a winner in the leisure and business travel markets throughout Africa, particularly to the smaller, unlicensed airfields.
