

BELL 407 ZS-MCC

The Bell 407 integrates reliability, speed, performance, and maneuverability with a cabin configurable for an array of missions and payloads. Its Rolls Royce 250-C47B turbine FADEC engine delivers exceptional hot & high performance with the ability to cruise at 140 knots (259 km/hr). The 407's spacious cabin seats up to five passengers in wide-open club-passenger seating and can be reconfigured to accommodate any number of tasks and payloads. For added passenger comfort, the Bell 407 also provides a very quiet and smooth ride in virtually all weather conditions. In addition to offering outstanding product features, the 407 is backed by Bell's renowned in-service support, voted number 1 by our customers for seventeen years running. The Bell 407 is proof that you don't have to sacrifice comfort for performance.
