

# HAWKER 4000

## ZS-DDT

The Hawker 4000 is an all-new, technologically advanced, super-midsize business aircraft. Powered by efficient Pratt & Whitney Canada (P&WC) PW308A high bypass turbofan engines, the Hawker 4000 cruises at speeds up to Mach 0.84 and has a maximum range of 3,280 nm with NBAA IFR reserves. The cabin has a flat floor design and for daytime flights seats 8 passengers in armchair seats in club configuration. For longer nighttime flights the seats can be berthed to sleep 4 passengers.
